## **PURPOSE**

The Environmental Education Unit (EEU) of An Taisce operates the Clean Coasts Programme, Green Coast Award and Blue Flag Award in Ireland.

Clean Coasts engages communities in the protection of Ireland's beaches, seas and marine life. Clean Coasts is made up of two elements; Clean Coasts Volunteering and the Green Coast Award. Currently there are over 1,800 Clean Coasts Groups operating along the coast of Ireland.

The programme promotes and facilitates coastal clean-up initiatives and marine litter surveys which result in a tangible and immediate improvement in Ireland's coastal environment. Clean Coasts organises hundreds of beach clean-ups annually mobilising thousands of volunteers, removing considerable quantities of marine litter from Ireland's beaches and waterways.

Clean Coasts has developed a suite of community engagement initiatives that has led to the expansion of the Clean Coasts programme, including; Clean Coasts Week, the Big Beach Clean weekend, Love Your Coast Photography Competition, Clean Coasts Ocean Hero Awards, Clean Coasts Road Show, #2MinuteBeachClean, Think Before You Flush, and the Clean Coasts Corporate Volunteering Programme.

Think Before You Flush is a public awareness campaign about the problem sanitary products and other items can cause in our marine environment and our wastewater systems if they are flushed down the toilet. The campaign is operated by An Taisce's Clean Coasts programme and is supported by Irish Water. The Think Before You Flush campaign invites you to join us in making small changes in your bathroom behaviour like never using the toilet to dispose of sanitary products.

The post of Coastal Programmes Officer will be full-time role for 1 year (3 months probation period)
